Old Business:

New Business:

Sherri opened the meeting by discussing the purpose of a friends group; possible activities and fundraising ideas; membership opportunities; ways to serve as a board or committee and volunteer. Those interested in serving on the board were asked to email Sherri.

The library is moving to a new location this year. There is interest in keeping the current location open as a branch. Petitions will be made available for those who are interested. Suggestion was made for community members to attend City of Covington Board meetings and to talk to their aldermen about keeping a library within the city limits.
